For 9" and 11" latex balloons, we recommend a four or five lines of copy, with 15-20 characters and/or spaces per line - maximum is 26 characters and/or spaces per line.

\*Above typestyles are the *only ones* available with OVERNIGHT (“QX” or “Quick Serve”) balloon imprinting.

Numerous additional typestyles are available for our standard five-day imprinting services.

Call or email ([balloonbouquets@att.net](mailto:balloonbouquets@att.net)) to determine availability of specific typestyles for normal five-day production time balloons.
